CITY COUNCIL AGENDA SUMMARY

City of Mill Creek, Washington

AGENDA ITEM: "CHIEF FOR A DAY" INTRODUCTION.

PROPOSED MOTION: N/A

KEY FACTS AND INFORMATION SUMMARY: The Mill Creek Police Department recently selected Julia McCauley, a Mill Creek Elementary second grader, as its honorary "Chief for A Day". Chief for a Day is a statewide program hosted bi-annually by the Washington State Criminal Justice Training Commission (CJTC) and celebrates the lives of children who have been diagnosed with a chronic medical condition. The mission is to provide these children with a day of fun that does not focus on their illness. You can read more about the Chief for a Day program here: visit www.chiefforaday.com

Chief Elwin and the Mill Creek Police Department's "A" Dayshift visited Julia's class on March 16th to announce her appointment and award her with her badge. Julia's first order in her new role was to let "A" Days know it was "time to get back to work please". Julia lives in Mill Creek's Cottonwood neighborhood with her mother and father, Ilona and Micah, and older sister Alexa.

This is Mill Creek's first year to participate in Chief for a Day and McCauley will be making ceremonial appearances in the community throughout the next several months. Her first opportunity as Chief was to accompany Chief Elwin to the recent Eggstavaganza and oversee event security and community outreach functions. You can expect to see the two Chiefs at events around town for the rest of the year, including the Memorial Day Parade, the Mill Creek Festival, National Night Out, the Santa Parade and more. Chief Elwin and his staff will also be working with local community groups to solicit donations for charities affiliated with the program such as Ronald McDonald House.

The Mill Creek Police Department is one of 34 police departments and sheriff's offices from around the state participating in this program. Although our two Chiefs will be working together throughout the year, the culminating event for the program will occur on August 16th, 2018 at the CJTC's Basic Law Enforcement Academy (BLEA) in Burien. The CJTC has taken on leading this bi-annual event dating back to 1999 and coordinates the August festivities. In addition to the two Chiefs, the Police Department's motor officer, K-9 team and SWAT Operator will be representing our City and their assignments with demonstrations and public interactions. You can view a video of the 2012 event here: http://www.youtube.com/watch?v=fVuhvihhsi8

A committee comprised of Sergeants Stan White and Robert Phillips, Corporal Rory Mundwiler, and Officers Tara Hoflack, Tony Bittinger and Chris White used their contacts in the community to identify potential Chief for a Day candidates. Numerous community and school groups were contacted and candidates were evaluated. Ultimately, the committee recommended Julia as our

Chief for a Day, and Officer Chris White was assigned as the department liaison. Officer White works closely with Mill Creek Elementary staff and is a natural fit for this assignment.

This is an exciting opportunity for all involved and the Police Department looks forward to making this a memorable time for Julia and her family.

CITY COUNCIL AGENDA SUMMARY

City of Mill Creek, Washington

AGENDA ITEM: WRAP UP: LONG TERM STRATEGIC PLANNING

PROPOSED MOTION: N/A

KEY FACTS AND INFORMATION SUMMARY:

The Government Finance Officers Association recommends that all governmental entities use some form of strategic planning to provide a long-term perspective for service delivery and budgeting, thus establishing logical links between authorized spending and broad organizational goals.

In his management book *The Dance of Change*, management author Peter Senge, references the importance for organizations to deliberately manage their future. Unfortunately, managing the future often comes head to head with the pressure of the immediate day-to-day management needs of the organization.

The need to get critical day-to-day management issues handled is important to every organization. This drive to get things done can at times overshadow the need to think and act strategically on the future of the organization. How does an organization find balance?

The key is to develop a strategic plan that is integrated into the business systems of the organization. The strategic plan should be integrated into the City's business practices by linking the Council's agenda (goals), budget, other approved plans (e.g., Capital Improvement Plan, Comprehensive Plan), departmental work plans and any current and/or newly developed performance measures into the plan.

Integrated strategic planning creates a balance that aligns both the City's financial and human capital to focus on achieving strategic goals and objectives.

The City began integrated strategic planning in 2016 with development and implementation of the City's *Guiding Principles*. At the Council's February 13, 2018 meeting, the City Manager presented an overview of the integrated strategic planning process and described the next steps in the process as the City continues to develop a long term strategic plan.

At its February 27, March 6, March 13, March 27 and April 3 meetings, the Council, City Manager and Leadership Team engaged in several "brainstorming" sessions. The purpose of these brainstorming sessions was to begin to identify those strategies that would allow the City to achieve each of the goals set forth in its Guiding Principles.

At the April 10 meeting, Council and staff will review the strategies and initiatives identified during the brainstorming sessions and discuss why the identified strategies are important to the Council.

City Council Agenda Summary Page 2

This work will ultimately generate a long term strategic plan that will link the Council's goals, budget, other approved plans, departmental work plans and any current and/or newly developed performance measures into the plan.
